

mobile whiteboard stand

The TnP mobile whiteboard stand is manufactured out of metal and will be delivered in 4 separate parts in one package. The stand consists of 2 side pieces (vertical) and 2 carriers (horizontal). The carriers are available in the sizes: 120x190cm, 120x150cm, 120x200cm, 120x240. All of the separate pieces will be adjusted to the size of the whiteboard.

Parts

- 2 side pieces
- 2 carriers
- 2 wheels with brakes
- 2 wheels without brakes
- 8 stainless steel socket screws
- 6 finish shells
- 4 bolts
- 4 screws

We can coat the stand in different RAL colours

Quick and easy assembly

The shadow board stand will be delivered including 8 RVS socket screws to easily attach the 4 elements together. The stand are custom made which means they will be produced per piece according to the size and thickness of the TnP shadow board.

The basic color will be RAL 9010 (white), but because they are tailor made they can be coated in any RAL color you wish for. Because the stand consists of u-profiles it is easy to shove the board (from the top) into the stand.
